

Do you need a free mask?

The CDC and WHO recommends universal mask wearing to decrease community spread of COVID-19. The Free Mask Project aim to use an evidence-based approach to design high performance homemade masks. Our **Halyard Masks** are **reusable** and **as effective as surgical masks** if not better because they have a better fit compared to surgical masks.

If you are:

> 60 years old

a frontline worker

have multiple health problems like diabetes, heart or kidney issues

You can request your free mask by filling out a form at freemaskprojectvancouver.com/donate-now

For others who are interested you can request masks after making a donation that will go towards our cause.
