

How to Wear your Goldfish Mask (S/M/L)

How you wear your mask affects its effectiveness!

The Goldfish Mask is a **Halyard Mask** available in small/medium or large. Barbara Roden designed it based on the shape of the Olson Mask. It is **reusable** and **as effective as a surgical mask for filtering particles**, while it is **more effective than a surgical mask for creating a tight seal** around the nose and mouth. The air pocket in front of the mouth **maximizes breathability** by maximizing the surface area for easy breathing.

Water Resistance

Flame Resistance

Biocompatible

Breathable

Tight Fitting

ASTM BFE 99.9%

NIOSH PFE 60-80%

1. Shape the metal nose piece to create a tight seal around your nose

2. Adjust the loop around your head based on your preference. This demo shows the loop at the bottom.

3. Tie the open ends of the straps to secure it around your head

4. Smooth out the edges of the mask to make sure it hugs your face

5. Check your seal: take a deep breath in and out through your mouth. The mask should slightly collapse inward when you breathe in and re-expand when you breathe out
